

LTL Trucking & TL - NJ, NY, DE, & PA

Chief Truck Lines is a fully insured, general freight trucking company based in New Jersey, serving shippers since 1989. Family owned and managed, Chief offers a variety of trucking services to shippers small and large. Our assorted air ride equipment gives us the ability to transport less than truckload (LTL) as well as truckload (TL). We specialize in same day & overnight delivery within our transportation area. From one pallet to multiple trailer loads, your trailer or ours, Chief will truck your freight on time and intact.

We are not the largest northeast motor carrier and this benefits you, the shipper. Chief is a smaller American trucking company. This advantage allows us to work more closely with our customers. Often when you call Chief you will speak directly to a principal of the company. You will receive instant notification upon completion of Chief's responsibilities via a personal phone call. Effective communication has been a hallmark of Chief Trucking which has allowed us to grow strong, long term relationships with our customers. "We keep our customers, and our customers keep us."

We invite you to browse our services and "take a load off your mind."
