

Mission Statement

The primary mission of Chief Truck Lines, Inc., is three fold: to enhance our customers, our company, and our employees.

-

The first objective is to generate fair profits by transporting our customer's freight in a diligent, timely, responsible and efficient manner.

-

Objective two is to utilize those profits to preserve the vitality of our company and ensure its growth so that it may meet the continuing and growing demands of our customers.

-

Lastly, it is our intent that Chief employees will find their circumstance in a constant state of improvement as to salary, benefits, environment, safety, and workplace harmony.
